WHY I HAVE DECIDED TO BE A GOVERNOR OF THE EAST STAFFORDSHIRE & TAMWORTH PRUs FEDERATION:

I am a retired Headteacher and have led two secondary schools in Warwickshire and Staffordshire. I became a Governor because I am passionate about ensuring that all students deserve a high quality education to enable them to make a positive contribution to their local community and the wider world. I am delighted to have been elected as the Chair of the Management Committee of our newly formed Federation. At both Burton PRU & Kettlebrook SSS, students have arrived because of difficulties in their previous education setting. They deserve another chance and as a Governor I believe I have the capacity to challenge and support the school to motivate, engage and develop all students to achieve the success that they deserve and move on in their lives.

I have a wide experience in working in a range of schools and know what it takes to make a school outstanding. This is the aim of the Management Committee, Headteacher, staff and the Local Authority.
