

Below are a selection of weblinks which we feel may be of benefit to our young people and their parents/carers.

General

<https://www.gov.uk/child-employment/restrictions-on-child-employment>

Up to date information relating to working hour regulations for children and young people.

<https://successatschool.org/>

A webpage designed to support students through school life including career research, employer feedback, revision techniques, option awareness, recording and logging work experience and learning about HE and university life. This page has a wealth of information on offer to both students but also their parents/carers.

Career Research

<https://nationalcareers.service.gov.uk/>

The national careers database containing a wealth of knowledge about different career pathways. There are also activities and quizzes to help you learn more about your skills, interest and motivations.

<https://www.pearson.com/uk/career-choices/PearsonUKQuizzes/General/index.html>

Interesting careers quiz designed to match you to careers linked to your interests, likes and personality

<https://icould.com/buzz-quiz/>

A fun quiz to help you begin to help explore links between personality, likes and life/careers.

Post 16 Options

<https://www.gov.uk/apply-apprenticeship>

A national database of apprenticeship vacancies. The main tool for apprenticeship search in and our local area. Registration is necessary for

applications. Your careers adviser can help with apprenticeship application processes.

<https://www.findapprenticeships.co.uk/>

Another useful site for searching for local apprenticeship opportunities.

Further Education Colleges and Sixth Form

Visiting local Sixth Form and FE college websites provides the most comprehensive reflection of course availability. Open events are available across the academic year.

Training Providers and Study Programmes

Speak to your Careers adviser for details of local training providers and study programmes available locally.

Labour Market Information

<https://www.staffordshire.gov.uk/education/Learning-options-and-careers/Where-will-the-jobs-be/Jobs-in-the-future.aspx>

Labour market information collated by Staffordshire County Council in relation to skills and employment trends in and around Staffordshire.

<https://www.nomisweb.co.uk/>

Official labour market statistics to support learning more about employment patterns in your area.

Higher Education and University Life

<https://www.ucas.com/>

A site used for exploring higher education options and submitting applications.

<https://www.thecompleteuniversityguide.co.uk/>

A wealth of information about university courses across the UK.

Job hunting

<https://www.gov.uk/jobsearch>

<https://www.indeed.co.uk/>

<https://www.wmjobs.co.uk/>

<https://www.reed.co.uk/career-advice/>

<https://www.jobsite.co.uk/>

<https://www.monster.co.uk/>

A small list of job search pages to help develop a better understanding of the world of work. These also provide useful links for CV building, application processes and interview skills.
