

FIRST AID LESSONS IN SCHOOL

Miss Preston organised for St John's Ambulance service to come into Kettlebrook in February, March and April to work with some of our students in an enrichment programme all about first aid. Michelle was our St Johns Ambulance Instructor who taught our students about First Aid and in particular:

- How to assess the situation.
- How to make decisions and then how to act safely and appropriately.
- What situations require what first aid.
- How to bandage; how to use a sling; how clean cuts and apply coverings; how to immobilise body parts to prevent further injury etc.
- ABC and resuscitation. How to phone 999 and what to expect.

The following students passed **CORE SKILLS FIRST AID**: Jessica G; Beth L; Chenille R; Becci S; Kaci C.

STUDENT FIRST AID: Owen C; Pod W; Aaron T; Beth T.
