

SPORTS DAY

The staff at Kettlebrook organise an Athletics meet at Tamworth's Athletic Stadium each year. Each of the 6 Short Stay Schools in Staffordshire are invited to compete against each other and have some fun. The staff teach and coach the students while they are taking part and each student who competes gets a hand written certificate.

The events include:

- Long Jump & Triple Jump
- Shot Putt
- 100m; 200m
- 400m
- 800m / 1500m
- 4x100m relay
- Staff event

On 12th July plenty of students took part and enjoyed themselves learning new skills; refining existing ones; learning to participate and being a part of a friendly appreciative audience. Except it rained and finally was stopped due to Health and Safety reasons – that the track became water logged.
