

GCSE & BTEC ART EXHIBITION

On Friday 8th July, it was Kettlebrook's first GCSE ART & BTEC ART exhibition. We were thrilled to receive a whole host of visitors including parents, carers, external agencies a Professor of Art Education, Tamworth Borough Council, neighbours, other schools and of course the most important guests of all; the artists themselves! Our 2016 leavers are Georgia, Lili, Tammie Yasmin, CJ, Lucy, Kaine & Beth.

In May, Mrs Potter was required (as all Art teachers are) to set out the GCSE work for the Art Moderator to assess and ensure that it met the Exam Board criteria. The examiner was extremely impressed with the quality and diversity of the work and even photographed it to show other art teachers!

The exhibition was an excellent and outstanding success and a true celebration of all of the students' hard work and dedication. There were also several requests to purchase the art work!!

All of the students flew through their BTEC Art & Design qualification and the GCSE Art results comprised of an 'A' and 3 'B' grades!!!!
Three of the students have gone on to gain places at Lichfield College to study Level 3 art and photography and we wish them every success for this next exciting leg of their journey.

A big thank you also goes to Mrs Potter for being an outstanding Art teacher and an inspiration to our students. We now look forward to the wonderful artwork that our new year 11's will no doubt produce....watch this space!!
