

# **Mr BENTLEY’S MUSIC LESSONS ARE ‘DRUMMING UP’ SUCCESS—STUDENTS ARE LEARNING HOW TO DRUM, SING AND PLAY KEYBOARDS!**

Since March, Music has been coming out of the school’s new music room with 12 students choosing to learn how to play:

- The drums,
- The keyboard,
- To sing.

They each have 1:1 sessions with Mr Bentley each week and some of the students are then performing in assemblies and hopefully be apart of the annual school’s Christmas Panto.

Mr Bentley, says “I love coming to Kettlebrook each week to work with my students, as they are so happy to learn new things and it is a real privilege to teach them about music.’
