

Bullying

Bullying,

Just because you're gay,

Or have a different skin tone,

Or maybe you have a religion,

BUT,

Being a bully doesn't make you big,

It makes you look like a pig,

Upsetting someone who hasn't,

Done anything wrong.

BUT,

If you are being bullied,

Don't become one yourself,

You're unique,

So is everybody else.

SO,

I will tell you a story,

About a boy who got bullied:

He was a big lad,

People called him fat,

Said he looks like a rat.

Crying to his mother he decided,

He isn't being bullied anymore,

Determination worked out;

One month later,

He was strong,

The bullies were wrong,

And from then on,

He didn't get bullied.

SO YOU CAN DO IT!
