

November 2017

Dear Parent/Carer,

As you may be aware, people all over the country are participating in various activities in order to fundraise for this year's Children in Need. As a school community, we always do really well in raising awareness and money towards worthy causes. This year, we would really like to get involved again.

So on the 17th **November**, we are planning for the students to take part in various fun activities being organised by staff in school. One of the activities will be our very own '**Kettlebrook Staff V Students Footie Match.**'

Going with the theme of the event, we are also asking the students to '**wear something spotty or sparkly.**' Whatever they decide to wear on the day, we are asking if students can include spots or sparkles on their person. We also ask that **appropriate clothing** to the day's weather conditions will still need to be worn. Pudsey Bear items can be purchased from participating retailers.

Another activity being offered to students on the day is face painting and henna body art. Offering a face painting and henna activity, will require your written permission to allow your child to participate.

May we ask that you complete the consent forms attached and that it is brought into school asap. Without this, your child will not be able to be involved in the activity, but with it, if they do want to give it a go, they can.

We are asking students to donate a £1.00 on the day for non-uniform, going towards helping us make our school fundraising event a success. Any donation brought into school that day, will be much appreciated. Thank you.

We look forward to making this fund raising event as successful as previous ones we have organised.

Yours Sincerely

Mrs. Rogers
