

3rd November 2017

Dear Parents / Carers,

Just to inform you of the exciting news that we will be having some baby guinea pig visitors in school over the next few weeks with a view to them residing in the Art Room a couple of days each week.

Please could you inform us if you 'do not' wish your child to handle them and if they have any allergies you have not yet made us aware of.

I might add at this point that the piggies have been carefully selected for their easy going and kind temperaments and do not shed and are therefore are a low allergy breed. All Staffordshire County Council risk assessments have been seen and signed off by the health and safety team.

Keep checking the website for pictures and for their names which students are currently choosing!

If you wish to discuss this further then please don't hesitate to contact me at school.

Kind regards

Yours sincerely

Mrs J Potter
Art Teacher
