Dear Parents/ Carers of our Yr 11 students,

RE: GCSE Maths

The exam season will soon be upon us and the students are working hard in their lessons towards achieving success in May/June 2018.

As part of the GCSE Mathematics course, we will be using the Edexcel Revision Guide and Workbooks in lessons, but also homework will be set from the books, including additional revision.

We would like to ask for a contribution of £5, in order for your child to have their own copies of these books to work from, both at home and in school. This is half the price that you would be able to purchase them from websites or shops.

If you would like your child to have copies of these essential books (that will be theirs to keep), then please complete the reply slip below, including payment of £5, by Friday 12<sup>th</sup> January 2018, so we can get them ordered.

Yours sincerely,

Mrs H. Lawton - Maths Teacher
