Dear Parents/Carers of Year 7 to 10,

RE: Year 11 Exams in May and June – school closures

It is that time of year again, when our Year 11 students are needing to complete their coursework, undertake revision and finally sit their GCSE & Btec exams. With a large cohort of students and a small school, it is inevitable that the school will have to close for some of their exams – we have tried to keep this to a minimum – so there is limited impact on your child's education – but I am sure that you will agree that you would want the same arrangements for your child in the future.

Your child's keyworker will contact and discuss this letter with you and remind you of your child's rearranged times over the exams timetable. The school will be only open to students sitting their nationally recognised exams.
