

Dear Everyone,

A Catch Up

Hello, I hope that you are all ok and that you were all safe celebrating on Friday – 75 years on and we are in our own lockdown – but there will be a time where we can all meet and be together again.

Once again, there is likely to be more changes ahead of us and a lot of working with limited information and some plans that might work and others that might not. Please be patient with us as we move forwards – we all want the same end point - to be around at the end of this.

I have various updates about different things that I feel that you and your family need to know. I hope that the staff Welfare visits are worthwhile – the feedback seems great.

Here is a message from all of us at KSSS: Thanks to Mrs Patel organisation.

Yr. 8,9 & 10 Students: Immunisations

Due to the current Covid-19 situation all planned school age immunisation sessions have been put “on-hold” as per national guidance.

We are currently awaiting guidance and direction from the Government and Public Health England in the next few weeks on when we will be able to provide school age immunisations going forward. In the meantime, our staff are working hard in the background planning

vaccination sessions for when “lock-down” is lifted, so you may receive a telephone call from our team to discuss your child’s outstanding vaccinations.

Should you require any further information please visit our website <https://www.mpft.nhs.uk/services/school-age-immunisation>

Thank you for your patience and cooperation during this time.

Take Care and Stay Safe

School Age Immunisation Team

TEENSPIRIT:

We understand this is surreal and anxious times for us all. With this in mind we have created an Instagram account for teenagers to access support from us. They can private message us, ask questions, ask advice on confidence, self-esteem, social media, relationships and sexual health also see our positive advice posts.

Our Instagram is **teenspiritscc** if you could pass this on to 13 – 16 year olds, it’s another source for them to access for support.

Yr 11 Students: South Staffs College

Looking to secure your place at South Staffordshire College for September? Join us for our first virtual open day on Wednesday 3rd June between 10am – 6pm.

There are tons of sessions on offer throughout the day which will give you all the information you need to know about going to college. From how to apply, student support and what you’ll be taught will all be covered.

Browse the sessions on offer, find the subject or career area you think sounds interesting and sign up (to as many sessions as you like) then we’ll do the rest! More details will be given soon on how to join these sessions!

During the virtual open day, you'll get to see the facilities at college and see what fantastic things our students have been getting up to as part of their college life. You will also be able to ask any questions you may have to the tutor who will teach you in a live question and answer session all from the comfort of your home.

Yr. 11 Exams Evidence – Centre Assessment Grades

The staff at KSSS have had meetings and will continue to have meetings to compile your child's exam evidence or Centre Assessment Grades (CAG) to be sent off to each of the exam boards in June. ALL OF THIS INFORMATION IS CONFIDENTIAL and THE EXAM BOARD can change what we are suggesting.

The CAG are based on evidence and a prediction of what each student would likely to have got if they had sat the actual examinations.
