

And the beat  
goes on...

As things gradually move back to something a bit like normal, at Kettlebrook, the hard work and learning has never stopped!

*Ethan's learning drum kit and keyboard.*

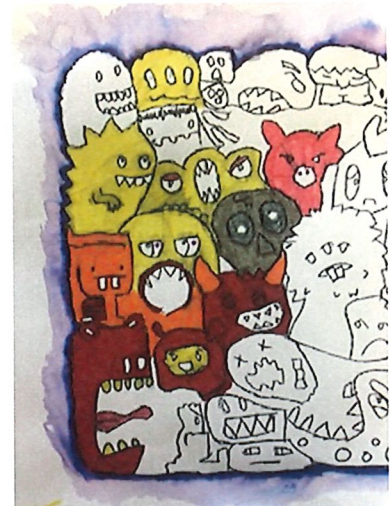

I find it difficult to get up in the mornings some days. I hate handing my phone in. I'm finding it hard because I've got so much work to do and so I don't know where to start. But I like doing Music and drawing really helps with my stress. I love to sing – especially songs from Pokemon. I also like cooking, especially when we are baking cakes.

As year 11 complete all their work we remember how every moment of every day is a gift and must be used to help us move forward.

Sometimes you will never know the value of a moment until it becomes a memory.
