

JULY 2023

Dear Parent/Carer,

We feel it is important to consult all parties who have an involvement at our school, about their views and opinions of the provision we deliver for our students here.

Getting your feedback enables us to react to any of your concerns, but also share and build on the positive responses you give.

We would very much appreciate your completion of this questionnaire, as working together in true partnership will enable us to give your child and future children the best support and development we can give them.

If you wish to discuss this or any other matter, then please do not hesitate to contact me.

Yours Sincerely
